

CAPABILITY STATEMENT

GOVERNMENT CONTRACTING | PROCUREMENT | BUSINESS SOLUTIONS

RP Management Firm LLC | New Jersey | rpmanagementfirm.com

COMPANY PROFILE

RP Management Firm LLC is a diversified government contracting and business solutions company supporting public- and private-sector requirements through procurement, project coordination, facilities support, construction management, technology support, vendor sourcing, and supply-and-delivery solutions.

Our strength is adaptability: we evaluate each requirement, assemble appropriate resources, coordinate qualified suppliers and service partners when permitted, and maintain accountability for communication, scheduling, compliance, quality, and contract performance.

CORE CAPABILITIES

- Government contracting, procurement and contract administration
- Construction management and project coordination
- Facilities support and janitorial services
- IT consulting and infrastructure support
- Strategic management consulting
- Vendor, supplier and subcontractor coordination
- Supply, delivery and specialized product sourcing
- Food and fresh produce supply and delivery coordination

DIFFERENTIATORS

- Flexible prime-contractor model focused on disciplined coordination and accountability.
- New Jersey MBE and SBE credentials supporting supplier-diversity objectives.
- Hands-on field leadership coordinating 50+ workers and subcontractors in occupied construction environments.
- Compliance-focused approach to safety, documentation, scheduling, vendor management and issue escalation.
- Responsive sourcing of qualified manufacturers, distributors and service partners for local and out-of-state requirements.

HOW WE DELIVER

01

SOURCE

Identify qualified manufacturers, distributors, vendors, and service providers.

02

COORDINATE

Manage schedules, documentation, logistics, communication, and contract requirements.

03

EXECUTE

Maintain oversight of quality, performance, compliance, and delivery.

04

ADAPT

Build the fulfillment approach around the specific requirement and verified resources.

MANAGEMENT EXPERIENCE

Founder & CEO Robert Patterson brings current construction site superintendent experience on a large occupied senior-housing renovation in the Bronx, New York. Responsibilities include coordinating 50+ workers and subcontractors, managing access and resident-sensitive logistics, supporting inspections and shutdowns, and maintaining schedule, safety and compliance across active construction phases.
